Finally... my turn
to be the hero!

Hehe! I'm the
hero... why the
heck am I the
side?

Sorry Maggie, we tried to get you Aragon, Legolas,
Frodo and Galad, but we could only afford 2 of them,
so you'll just have to make do with Arag and Eowyn.

"One Ring to rule them all,
One Ring to find them,
One Ring to bring them all
and in the darkness bind them."

Well, I have to live
about the ruling, finding,
or bringing, but it's doing-a-
"consummate" job with
the "ruling".

Tokyo Academy is a elite private all boys' school. Here, all the school girls, as a privilege, will have to perform a "wedding" as a rite for the school's festival. Even though the prince is Japanese, not from abroad, it's still very embarrassing, isn't it? Also, what will happen to the relationship between the prince and a girl? Is Vice President Higuchi really...? (c) President Shibusawa, 1997
